## JUNE WEDDINGS.

Two Weddings of Note Occurred in this City Yesterday.

### THE VARDY-BAIRD NUPTIALS

Celebrated at High Noon in the First Presbyterian Church—Robertson-McLure Wedding Took Place at St. Luke's P. E. Church, in the Afternoon—Both were Celebrated in a Brilliant Manner—The Church Interiors Prettily Decorated.

Two notable weddings occurred in Wheeling yesterday.

The marriage of Mr. George N. Vardy and Miss Jane Wilson Baird occurred at high noon in the First Presbyterian church, Chapline street, before a large and fashionable gathering of relatives and friends of the two families. The mid-day hour was being struck as the bridal party entered the auditorium, coming up the center aisle. The bride looked lovely in a traveling gown of gray. Her attendants were her sister, Miss Louise Todd Baird and Miss Madge Johnston, and the maid of honor was a sister, Miss Sadie Baird. They were awaited at the altar by Rev. Joseph Speer, pastor of the Second Presbyterian church, who performed the impressive ceremony in faultless style.

The ceremony was followed by an informal reception in the church, which, by the way, was beautifully decorated for the occasion. Flowers and plants were used in profusion. The weather, too, was fine, combining to make the event one of the prettiest June weddings ever seen in Wheeling.

The bride and groom were driven in a carriage to the Baltimore & Ohio station, where they boarded a train for the east, where the honeymoon will be spent. On their return in about two weeks, Mr. and Mrs. Vardy will be at home to their friends.

Mr. Vardy is the son of Mr. William Vardy, and is prominent in business circles. He is at present a traveling representative of the Pennsylvania Salt Company. The bride is a daughter of the late Dr. George Baird, and is prominent in society.

Another pretty June wedding was that of Mr. Edward A. Robertson, of Taylor, Texas, and Miss Betty McLure, daughter of the late Captain John McLure, one of Wheeling's most prominent citizens, for half a century. It took place in the pretty St. Luke's P. E. church, Island, at 4 o'clock in the afternoon. Although there were no invitations, the church was well filled with friends of the charming and accomplished bride, whose departure from Wheeling will be received with feelings of deep regret by a wide circle of friends. The beautiful and always impressive marriage service of the Episcopal church, was used, the rector of St. Luke's, Rev. Jacob Brittingham, officiating. The bride was attired in a becoming traveling costume. Mr. and Mrs. Robertson left in the afternoon for the east. In about a week they will return to Wheeling for a short stay before going to Taylor, Texas, where they will reside. The ushers were Messrs. Harry Franzheim and Harry Mendel.

### The Supreme Court.

In the state supreme court yesterday in the case of the state vs. Shumate, from Mercer county, a writ of error was allowed.

Turner's committee vs. Chapman, et al., from Ohio county, writ of error and supersedeas allowed; bond \$100.

W. P. Robinson was admitted to practice on motion by M. E. Dryden.

Court adjourned until 10 o'clock this morning.

## MARKET CONDITIONS.

Wool Continues Very Dull with No Sales. Rain is Not so Welcome Now—Other Features.

Wool continues very dull in the tri-state radius. There are only a few buyers in the field and they are not paying the prices demanded by the wool dealers. Three prominent buyers were here yesterday, but they did not purchase an ounce from Horkheimer Brothers. They were: James Whitaker, of Philadelphia, representing the Big Collingworth mills; Frank Bennett, of Boston, representing Fenno Brothers; D. H. Hamstead, of Philadelphia, representing Contes Brothers. They said the price at which wool is held in this section is too high.

It is not thought that there will be an improvement in wool for at least two years. Even after the election and Republican success, it would take much time for American wool to recover itself, especially as much of the foreign article is now being brought to this country.

The present rains are not particularly welcomed by the farmers. Already more than enough rain for growing vegetation has fallen. The rains this week are if anything, a detriment to the farmers, as it retards the harvesting which will begin soon.

### A FORGER ARRESTED.

L. C. Jones, of Sistersville, Forges a Check and is Arrested.

Yesterday morning a man who gave his name as L. C. Jones, was arrested by the police for forgery, and is in jail awaiting his hearing by Squire Caldwell. Monday night Jones and another man went to the Hotel Goodfriend on the upper market square, and secured lodgings. Yesterday morning he tendered a check for \$30 in payment of the bill and secured the change. The check was signed by A. J. Wilde, furniture dealer, of McKeesport, and made payable to one, E. C. Lindsay. After the transaction, Goodfriend became suspicious and telephoned for the police. Lieutenant Clemens answered the call and took the case in hand. Captain Bennett telephoned to McKeesport and found that the check was a forgery, whereupon he ordered Jones arrested. He was found at Chisnell's saloon, on the South Side, and after his arrest admitted that he had committed the forgery, but said he was drunk when he did it. He comes from Sistersville, and he told the chief that he had had a number of other checks about his person, but had destroyed them. He will have a preliminary hearing to-day.

### IN CLERK HOOK'S OFFICE.

Deeds Recorded, Marriage Licenses Issued and Other Transactions.

A deed was admitted to record by Clerk Hook yesterday, dated June 6, by E. M. Jones, of Elm Grove, to Robert M. Jones, of the same place, transferring a parcel of land in Elm Grove; consideration \$100.

A marriage license was issued to Charles Smith, aged twenty-seven, a native of England, and Mary M. Miller, aged twenty-two, of this city.
